## BODY OF INFANT.

Found Yesterday in a Field Near Sardis—Woman Suspected.

A warrant has been issued for the arrest of Miss Mary E. Gifford of Sardis on the charge of child murder.

The body of an infant was found yesterday morning in a field at that place, and she is suspected of being the author of the crime.

She had been living as a domestic at the home of Mrs. Elizabeth Hawkins, and according to Mrs. Hawkins she left her employ last Thursday and has not been seen since.

Coroner Wood yesterday held an inquest over the remains of the child, bringing to light the above facts.

## TURNER BRAMEL'S WILL.

His Large Estate Divided Among His Surviving Heirs.

The will of Turner Bramel, offered for probate, was held over pending a hearing from the heirs who had asked the County Judge not to probate until heard.

The will bears date of November 23rd, 1897, with W. W. Ball and Daniel Perrine as witnesses. It names the son, John W. Bramel, as Executor without bond.

He wills to his wife \$9,000, and to his four children—John W., Mrs. Mary D. Bramel, Mrs. Lottie Telle and Mrs. Maggie Crane—share and share alike, but with the understanding that their husbands have no share or part in the bequests.

A codicil was added, Mrs. Maggie Crane having died, and having a daughter, Ann Leone, who is to receive her mother's portion, and should she die without issue her share is to revert to the remaining heirs as under the will originally.

## River News

The Courier continues the daily Maysville packet.

Another bridge over the Ohio at East Liverpool is now talked of.

The railroad steel sunk in the river near Havesville by the steamer J. B. Finley a few weeks ago is being taken from the wrecked barges. Probably all of it will be saved.

C. Jutte & Co. have let a contract to the Howard Shipyard of Jeffersonville for a new towboat for the coal trade. The machinery of the Chickasaw will be used on the new boat.

The heavy rains of Friday night up the Monongahela and Allegheny river valleys have resulted in a fair stage of water, and good coal shipments were made by the Monongahela River Consolidated Coal and Coke Company. River men expect to have a stage for shipping throughout the month of showers. The operators have plenty of steamers in port to take out the tows. The coal combine's shipments were: Jim Moran, 9 coalboats, 2 barges, 4 flats; Coal City, 9 coalboats, 2 barges, 7 flats; Cruiser, 5 coalboats. This makes a total of 745,000 bushels.

The area drained by the Mississippi and its tributaries equals one-third of the territory of the United States. This area may be divided into the following drainage basins, with their respective areas:

	Miles.
The Missouri river	518,000
The Upper Mississippi	169,000
The Ohio river	214,000
The Arkansas and White	189,000
The St. Francis river	10,500
The Red river	97,000
The Yazoo river	13,800
The small tributaries	22,688

This immense area covers some twenty-eight states of the Union and extends from the thirty-fifth to the fiftieth parallel of latitude and from the seventy-ninth to the one hundred and fourteenth meridian of longitude.

For liver troubles and constipation there's nothing better in creation than Little Early Risers, the famous little pills. They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. J. Jas. Wood & Son.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns overflow with the advertisements of business men has more influence to attract attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

The Kentucky State Prohibition Convention will be held in Louisville May 5th and 6th.

The best physic. Chamberlain's Stomach and Liver Tablets. Easy to take; pleasant in effect. For sale by J. Jas. Wood & Son, Druggists.

We are not the only people who sell monuments; but this is our home and we do good work, so ask your patronage.

MURRAY & THOMAS.

J. Noel Johnson, aged 45, formerly of Vanceburg, a newspaper and magazine writer, whose humorous sketches and serial stories in various papers have attracted widespread attention, died very suddenly of chronic stomach trouble at Portsmouth Monday.

# The Clothes We Sell

Are not ordinary "ready-made." We choose each garment as carefully as expert knowledge of Fabrics and Tailoring, gained by years of study and experience, will allow. You will find with us exclusiveness in patterns, individuality in the styles, the right kind of tailoring and perfection in fit. The Rochester labels you find on these clothes stand for all that is "best" in ready-to-wear clothing. Every part is right and each garment is made under perfectly sanitary conditions by expert tailors.

## EASTER NEXT SUNDAY.

Of course you are going to make the youngsters happy with an Easter outfit. Let us show you what we have for them and how moderate the price considering the qualities you get in our house. Our Easter Holiday Neckwear stock is bewildering in its numerous styles and colors. We want you to take a peep at this line.

Our Douglas and Hanan Shoes are growing in favor to such an extent that we have already been obliged to place duplicate orders on spring goods.

Our custom work turned out under the supervision of Mr. Nichols deservedly receives the most favorable comments. Notwithstanding we pay the highest prices for skilled tailoring, we will continue to make suits to order (made in our house) at very conservative prices. We advise those contemplating having suits made to order to call at an early date, as we have an unusually large number of orders booked already.

THE HOME STORE. D. HECHINGER & CO.

# Take Any Price You Will

And the garment it will buy is a fair test of the scope and thorough-going excellence of this White Sale. The 50c Nightgowns are just as complete triumphs at their price as those at \$3.75 are marvels of goodness and beauty. So it goes throughout the list. Take, for instance, garments at two popular prices.

## DRAWERS.

At 25c. Excellent muslin, neatly trimmed with tucks. At 50c. Fine muslin, trimmed with tucks, lace or embroidery.

## NIGHTGOWNS.

At 75c. Muslin; five styles; trimmed with embroidery or lace; V, square or high neck. At \$1.25. Cambric or muslin; twelve styles; high neck, or square front and high back, trimmed with lace or embroidery.

## PETTICOATS.

At \$1. Cambric; five styles; trimmed with embroidery, Point de Paris or torchon lace, or lawn umbrella ruffle with hemstitched tucks. At \$1 1/2. Cambric, lawn ruffle trimmed with blind embroidery and cluster of plaits, or cambric ruffle trimmed with Val lace and two rows of insertion.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and bringing the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Mayor Chambers Baird and the entire Republican ticket were elected in Ripley this week. In Aberdeen C. C. Ellis was elected Mayor; J. W. Jones, Marshal; W. H. Clark, Clerk and W. S. Durrum, Treasurer. In the township the Democrats lost the Trustees.

## A Sweet Breath

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Ky., writes: "I have been a dyspeptic for years. Tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet. J. Jas. Wood & Son.

# Easter....

Draweth nigh, and it is high time you were giving consideration to the finishing touches of your spring outfit. The "hat" has been ably discussed for a month past, but the most important feature of the Easter costume—the

# Shoes....

may have been neglected until now. When you are ready to view the beautiful models the makers of shoe fashions have evolved, come to us if you wish to be in the prevailing mode. Our lines are unsurpassed in point of beauty and attractiveness, and the spring showing is full and complete.

THAT "earthquake" reported from Hopkinsville may, after all, have been simply an outbreak of smallpox.

AFTER long and patient suffering, a pony attached to a street piano ran away in Newport. The instrument was wrecked, and such hair-raising melodies as "Sweet Marie" and "Annie Laurie" were scattered all along the course of the runaway.

HON. PRESCOTT SMITH, one of the late Fusion leaders at Cincinnati, before the election said he "did not look for a large plurality either way." In view of the overwhelming plurality of 15,467 for Mayor FLEISCHMANN, and the 9,000 to 14,000 for the remaining candidates on the Republican ticket, it really appears like Mr. SMITH is entitled to another look.

THE Civil Service Commission has issued a report announcing that the retirement from office of Surveyor General C. C. GOODALE of Colorado was due to charges brought by the Commission. So it is being narrowed down that three men in this country can say who or who shall not hold an office. The people of the community wherein the office is to serve no longer have any voice in the matter. Long live snivel service!

EMPEROR BILL and the balance of the German Editors are respectfully informed that the Yankee Gimmers of the United States battleship Indiana broke the world's record by making twelve hits out of twelve shots with a thirteen-inch gun at a range of five miles. Unless the Emp's shootists outshoot this shooting with his shootin'-irons, the American public will continue to believe that Admiral DEWEY was right when he said Uncle Sam had a better Navy than Germany.

BEFORE the Cincinnati voters got a whack at his name on the ballots, Hon. M. E. INGALLS, Fusion humbug candidate for Mayor, said, "I will win by at least 5,000, sure." As Mr. INGALLS was "snowed under" by 15,467, it will be seen that his guess-tank was out of tune certainly to the amount of 20,467. It is fortunate for the traveling public that Mr. INGALLS has a journeyman guesser employed to arrange his railway time-tables.

THE small boys of Burlington, Boone county, are a humorous set. A few days ago they saturated an inoffensive old rooster with gasoline and set fire to him. In the midst of the hilarity the poor fowl, who was all by himself an imposing torchlight procession, ran under several houses to get away from himself. Thus the houses were set on fire, and the whole town narrowly escaped destruction. But boys must have their fun.

FORMER President GROVER CLEVELAND presided at a public meeting held in New York for the discussion of methods and needs of the work of BOOKER T. WASHINGTON at the Tuskegee Normal and Industrial Institute at Tuskegee. Mr. WASHINGTON made the principal address. Shades of BOB TOOMBS, BILL YANCEY and Company! Just think of a Democrat—and the only Democrat who had been President of the United States in over forty years at that—just think of a Democrat presiding over a "Nigger" meeting, with a "Nigger" for chief orator! Carry the news to BRYAN the jawsmith!

HERE is what the mud roads of Maysville have cost each year for seventeen years past—

1881.....	\$ 8,307 41	1896.....	\$ 4,572 30
1882.....	6,284 17	1897.....	10,070 09
1883.....	6,109 78	1898.....	3,700 45
1884.....	5,125 85	1899.....	3,066 33
1885.....	5,449 75	1900.....	4,485 82
1886.....	6,258 12	1901.....	4,370 54
1887.....	6,869 75	1902.....	5,871 88
1888.....	21,673 91		
1889.....	9,002 06	Total.....	\$116,955 72
1890.....	6,831 16		

Just think of it—\$116,955.72 absolutely wasted, for we have just exactly the same sort of streets that we had before a dollar of this money was spent. If in 1886 the city had borrowed \$100,000 at 4 per cent, and built streets with that money, it would have cost the taxpayers \$4,000 a year for interest, or \$68,000 for the seventeen years.

The account would then look something like this—

What it has cost.....	\$116,955 72
What it would have cost.....	68,000 00
Saving to taxpayers.....	\$ 48,955 72

Besides, we would have had seventeen years of the pleasure and comfort that follow good streets and clean surroundings.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure undiluted witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. J. Jas. Wood & Son.

Good For Children.

The pleasant to take and harmless One Minute Cough, Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. J. Jas. Wood & Son.

BURDENS ARE MANY.

Maysville Citizens Have Their Share

Most backache pains come from sick kidneys. Must cure the kidneys to cure the back. Doan's Kidney Pills will do it. Lots of Maysville proof that this is so. Read what a citizen says: Mrs. O. D. Burgoyne of Hall street says:

"The use of Doan's Kidney Pills proved of remarkable value to me. For a long time I suffered from kidney trouble. Not only were there severe pains in my back, but also other evidences of a disturbed condition of the kidneys. Doan's Kidney Pills came to our knowledge, and Mr. Burgoyne went to J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and got a box. The treatment was so effective that it has given me much pleasure to recommend this remedy to a number of my friends."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

THE PRISONER OF ZENDA.

The entertainment announced for the Washington Opera-house Monday, April 13, is the fascinating dramatization of Anthony Hope's novel "The Prisoner of Zenda." A striking feature of the play is that it keeps the interest of the auditor from the prologue until the fall of the final curtain, unfolding a story so delightful as to retain its hold upon the public for many years to come. T. B. Alexander, well known through this territory, will be seen in the dual roles of Rudolf Rassendyll and Rudolf V. King of Ruritania. "Saved My Life and Kept Me From Insane Asylum."

Mrs. Wilcox is Now in Perfect Health Through No Other Agency Than

Paine's Celery Compound

The absolute need of an honest and genuine invigorator and health giver in the spring season is deeply impressed on the mind of every thinking and intelligent man and woman.

The happy cure of Mrs. J. E. Wilcox of Winters, Cal., through the use of Paine's Celery Compound, created widespread astonishment and joy amongst her friends and neighbors who were exceedingly anxious regarding her condition.

The best medical treatment failed even to give Mrs. Wilcox a few days of relief from her sufferings of mind and body. At last, Paine's Celery Compound saved her from a terrible end and planted her feet firmly on the rock of health.

Read Mrs. Wilcox's letter of testimony, dear reader, and if you remain obdurate and unbelieving after such an earnest and convincing confession of cure, nothing but a direct act of Providence can snatch you from the dangers and perils of your position. Mrs. Wilcox says:—

"I feel it my duty to tell you what Paine's Celery Compound did for me. Some years ago my head troubled me so that it seemed I should be crazy. It was caused by overstudy. I asked the advice of two doctors who gave me medicine to no effect, and I did not know what I would do. I did not want to see any one, everything seemed so strange. I had a tired, lagging feeling, my bowels were out of order, my kidneys troubled me, and I felt badly, but before I had taken half of one bottle of Paine's Celery Compound I felt like a new person. Four bottles cured me, and I would recommend it to all who feel the way I did. I can't praise it half enough, for I know it saved my life and kept me from imprisonment in an insane asylum, which is as bad as death."

At a meeting of the Board of Directors of the Maysville Gas Company, March 26th, 1903, it was ordered that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should be in effect for private consumption.

It was also ordered that after the 1st of April the old rate of 1.50 per thousand cubic feet, but for the good of all concerned and in order that this part of the business of the Company might be conducted on a business basis, the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.

It was further ordered that, beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first occurs on Sunday, and that said account shall thereafter be due and payable at the office of the Company on 4th street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which catalogue will be equivalent to 50% discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$20; the Gas Company will sell this range to consumer for \$10 cash, or for \$2.00 cash at signing of lease and six per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Gas Company will also handle at cost the fixtures and material of the Webster Company in all of their many attractive varieties.

Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

When Sandow poses and the muscles ridge his back and knot his arms, we think we have before us the very secret of strength in those magnificent muscles. But we haven't. Starve Sandow, or what is practically the same thing, let him be dyspeptic, and his muscle would soon fail. Strength is made from food properly digested and assimilated, and no man is stronger than his stomach, because when the stomach is diseased digestion and assimilation are imperfect.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food so that the body is nourished into perfect health and strength.

"I had what my physician called indigestion. He gave me medicine for the trouble but it did me no good," writes Mr. W. H. Wells, of Willard, N. C. "I wrote to Dr. Pierce and stated my case. He sent me a descriptive list and hygienic rules. I carried out these as best I could, bought six bottles of his 'Golden Medical Discovery' and commenced taking it. A few days later I noticed a great change. Felt like a new man. Before I began the use of the 'Golden Medical Discovery' I suffered greatly with pain in stomach, my nerves trembled all 'round-down.' I was very thin in flesh, but now can eat heartily and sleep good at night."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the paper-covered book, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

A small bottle of Scott's Emulsion costing fifty cents will last a baby a month—a few drops in its bottle each time it is fed. That's a small outlay for so large a return of health and comfort.

Babies that are given Scott's Emulsion quickly respond to its helpful action. It seems to contain just the elements of nourishment a baby needs most.

Ordinary food frequently lacks this nourishment; Scott's Emulsion always supplies it.

Wednesday, April 22

1903, proceed to sell to the highest and best bidder, on the premises, all of the real estate and machinery of the COLLINS & RUDY LUMBER CO., bankrupt, consisting of three good dwellings, the Worick dwelling being especially well located and desirable; about twenty of the most desirable and best located building lots in the city, on streetcar line, only about four blocks from the river; also, one of the most thoroughly and best equipped Lumber Milling Plants in the Ohio valley. The sawmill is now in operation and the plant is equipped with improved machinery fitted for turning out all kinds of saw and mill work. The sale offers to capital and enterprise one of the most inviting of opportunities. Located on river front, raw material is rafted to its door. Host of river and railroad facilities for transportation of finished product. Taxes low, labor plentiful, strikes unknown. Mills and machinery will be offered separately and together, and all property in lots to suit purchasers.

TERMS: Purchase price will be payable in three equal payments, one-third in 30 days, one-third in 60 days, one-third in 12 months from date of sale. Purchaser will be required to execute bonds for purchase money, payable to the Trustee, and bearing 6 percent interest from date of sale, with a proved personal security, and a lien will be retained on property as additional security. Sale begins at 10 o'clock and continues until 10:30 a. m. For information call on Trustee.

# CLOTHING TALK!...

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
